

# Art @ Farm House

Have you been creating art on your own at home?

Do you crave some face-to-face social contact with like-minded creatives?

Now there's a great opportunity to do some sketching here at Farm House on **Thursdays 6.00 to 8.00 pm.**

While you create, you can enjoy a glass of wine or nibble on a cheese platter; and most importantly catch up with old friends and as an extra bonus make some new ones.

## Cafe sketching

Sketching in a café is a popular activity with urban sketchers. However, COVID 19 put this on hold. If you are a novice it can be intimidating to pull out sketchbook and start drawing. The first session of Art @ Farm House the sketchers had fun drawing pot plants and succulents as well as other objects that add to the ambiance of the Café. For some it was their first time sketching.
